European Commission The following page provides information about environmental topics of interest to individuals, organizations, trade groups, cities and regions within the European Union. The European Commission (EC) is the governing body of the European Union (EU). The EC is composed of 28 EU Commissioners who are responsible to the European Parliament for running the EU's internal policies and implementing EU laws. The European Parliament and the Council of the European Union (EU Council) make up the organs of the EU. EC Environmental Action Plan 2020-2025 envisions taking on new challenges: more efficiency, more responsibility and more impact. We aim to lead in an EU vision of responsible, smart and sustainable growth, and to achieve a triple-bottom-line that also reflects the interests of society and the environment. We are committed to make sustainable growth one of the four pillars of our future in all sectors and fields of action.
