Neuron news service: corporate circular : BCL-Bihar and Orissa Public Demand Recovery Act, 1914 (Bihar and Orissa Act IV of 1914) (hereinafter referred to as "the Act"). The Act applies to both movable and immovable properties for the purposes of. of the Act against any person who, in the course of his business or trade, offers or attempts to offer or.., "the period for which compensation is payable." 13 V.S.A. § 6469. The language in the statute referring to an "award" indicates that, in the absence of a specific provision to the contrary, it does not include the determination by the Department of whether an injury is permanent or temporary in nature. In her decision, the department cited the following cases to support its finding that the petition for review was untimely: Swain v. State Claims Board, 138 Vt. 604, 422 A.2d 260 (1980); State v. Dinsmore, 149 Vt. 531, 542 A.2d 1367 (1988); and Easton v. St. Johnsbury Trucking Co., 158 Vt. 568, 615 A.2d 153 (1992). The Swain and Dinsmore cases are dispositive of the issue before us because they cited the statute of limitations language in the 1989 amendments to 13 V.S.A. § 7406, and they held that the three-year period of limitations provided in 13 V.S.A. § 7408 was applicable to both claims for which compensation was payable and claims for medical services and supplies. In Easton, the Vermont Supreme Court interpreted the "maturing within 3 years after the effective date of the injury" language in 13 V.S.A. § 7403(c) to preclude recovery of both the medical expenses and the compensation for a permanent impairment because the claimant had unreasonably delayed bringing the claim. The court stated, "From the time of injury, injuries are presumed to be temporary, and there is no claim for compensation for permanent injuries within the limitations period." Easton, 158 Vt. at 570, 615 A.2d 153. The claimant had ten months from the effective date of the 1989 amendments to bring her claim for medical expenses because the three-year limitation period did not begin to run until the effective date of the injury. Id. The department also relied on State v. D e79caf774b
