break-ins.... Some people thought we had a break-in." (Kanye's lawyer told TMZ that West was misquoted, but didn't elaborate.) Kim was referencing last month's alleged burglary, in which a masked man allegedly broke into her Paris hotel room while she was filming. Kardashian West and bodyguard Tony Jackson had to rush out of the room and claim they heard a noise in the hallway. The alleged intruder took jewelry and a pair of Christian Louboutin shoes, while Paris police didn't find anything missing from the room. Besides their home being broken into, Kanye's new music project,

a. Hank Keller Hank Keller (born December 19, 1969 in Battle Creek, Michigan) is an American retired track and field athlete who competed in the long jump. He won an NCAA outdoor championship in 1993. Biography In 1991 he was the third in the US Olympic Trials, but only the sixth to jump 16.0 and qualify for the United States Olympic team. He competed at the 1992 Barcelona Olympics but missed the final due to illness. His personal best of, set in 1993, is a world-leading mark at the time. He is currently the head coach at Cass Technical High School (Detroit, Michigan). In 2009, Keller was inducted into the Michigan Track and Field

Michigan alumni local variable. (E.g. `def var = []` does  
not introduce a local variable.) The R5RS `do` form  
doesn't accept side-effects. (To be clear, this means  
that you can't do something like `(do (do-  
something)...) ``. If you want to build side-effects into a  
lambda, you can use `(lambda () `(do-something) `...)``.)
