Kamihama Souma is a college student living in a broken-down house in the city. He's taking a leave of absence from college to hang out and do what he wants. An unrequited love has kept him depressed for months. After meeting a mysterious girl, he's slowly getting over his depression. But now he needs to take some critical precautions, if he's to avoid getting dragged into another love triangle. He's temporarily moving in with his parents, but even his parents are strangers to him. He only knows his mom as the old lady he calls Koneko (as she's the only one who calls her that). He doesn't know his dad at all, though. He's getting over his depression, he's meeting a new girl, and he's reconnecting with his brother. But he still can't avoid the desperate relationship he's been having with a seemingly real-life doll—this time, he's got a doll with a creepy, fake face... This game is free to play, but you can choose to pay real money for extra items. Game Description: 18 Secrets, 8 Hints, 8 Tricks, 8 Gifts, 8 Memehs As you go through Kamihama's day, you'll encounter hidden things. When you find them, you'll be able to see something hidden in the day's diary or get a hint to guide you to find the next hidden thing. You'll also be able to see an in-game image of the hidden item at the end of the day, and you'll have the chance to receive a hint by calling in to the store manager at that time. If you successfully call in all the correct times, your combined score will contribute to a ranking. If you find secrets first, you can get your image in the daily ranking's upper right corner, so the chance of you being able to win the day's ranking increases. In addition, you can also learn 5 fake secrets, 8 hidden hints, 8 hidden gifts, and 8 hidden memes. The more days you play, the more items you'll be able to learn! Game Description: Level Up! New Classes! New Gifts! You know, Kamihama's probably the best person on the planet to give real advice... But his advice is usually something like, "Get to live your dreams and you'll have something to live for. That's the best advice anyone can give." c9d1549cdd
